Dear Firebirds and Firebird Families:

We are pleased to have you as partners in your learner's 2022-2023 school year. As the year progresses and you become more informed or puzzled, we encourage you to email the individuals who might be of help. If your question concerns in-class events, please email or ask to speak with your learner's teacher. However, if it deals with the overall program, curriculum, or activities, don't hesitate to contact one of the grade level principals or myself.

One of our goals is to see parents and guardians feel at home at School of The Future, like the learners themselves. Therefore, I will email parents and legal guardians weekly to keep everyone in the loop regarding what's happening at School of The Future. In addition, the school website is frequently updated, providing you with information about School of The Future events and activities.

This week, you will want to review the School of The Futures code of conduct that will be emailed to each learner by this Thursday, September 1, 2022. Reading the code of conduct gives you a better idea of what to expect at School of The Future.

We are glad to have you with us this year, and we want to assure you that we will do our best to help your learner experience academic, social, and emotional growth. With your help and cooperation, this should be an excellent school year.

I would also like to tell parents that we will be conducting a staggered dismissal at School of The Future for the 2022-2023 school year. During August and September, 11th and 12th-grade learners will be dismissed at 2:20 pm, and the 9th and 10th-grade learners will be dismissed at 2:34 pm. For October, we will reverse the staggered and have the 9th, and 10th-grade learners dismissed at 2:20 pm and the 11th and 12th-grade learners dismissed at 2:34 pm. Thank you in advance for your help and support in this matter.

In closing, this year, as in the past, we must concentrate on the process that spurs continuing advancement:

- Evaluating what we have.
- Determining what we can do to improve.
- Identifying what we need to make those improvements.

Let us make 2022-2023 our best year yet!

Sincerely,

Dr. John R. Smith Jr.

Monday, August 29, 2022: First Day of School for Learners

Please refer to the School of The Futures calendar for updates:

[2022-2023 Calendar](#)

Below are just a few of our frequently asked questions and upcoming events.

What are the school hours?

Regular Day: 7:30 AM - 2:34 PM Half Day: 7:30AM - 11:00 AM
