THE SCHOOL DISTRICT OF PHILADELPHIA

H. S of the Future

School-Parent Compact

School Year 2026-2027

Revision Date: 04/09/2026

Dear Parent/Guardian,

JOINTLY DEVELOPED

The parents, students, and staff of School of the Future partnered together to develop this school-parent compact for achievement. This year's the Spring Title I meeting was held on ***04/09/26****. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held during the spring of each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the School Family Engagement survey that is also used as a tool to collect parent feedback regarding the current Title I programs, policies and family engagement.*

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.

The Board of Education's updated Goals and Guardrails are available on the School District Website at www. philasd. org.

H. S of the Future GOALS

1. At least 75% of 9th grade students will be on track to earn a minimum of 5 quality credits
2. At least 95% of 12th grade students will be on track for graduation
3. At least 90% of students will have 0 out-of-school suspensions

To help your child meet the district and school goals, the school, you, and your child will work together:

-
